# Why Sponsor the Trust & Safety Festival Sydney?

The Trust & Safety Festival is a global gathering designed to bring together the full ecosystem of professionals working to create a safer, more inclusive, and more resilient digital world.

Following the success of previous editions in Europe and Asia, the Festival is now coming to Sydney for the very first time.

This two-day, multi-event program offers unparalleled opportunities for:

**Industry networking**

**Build trust**

**Brand visibility**

**Enhance social impact**

**Thought leadership**

**Influence policy discussions**

**Cross-sector collaboration**

**Highlight corporate responsibility**

Whether your organisation is advancing policy, building technology, or championing user rights, there's a place for you here.
